

Faith-based STRATEGIC FUTURING™

*Leveraging strengths, talents, values, passions and achievements
Envisioning a future treated as fact
Living life intentionally
Experiencing self-fulfilling prophesies*

Faith-based Strategic Futuring™ is for you if....

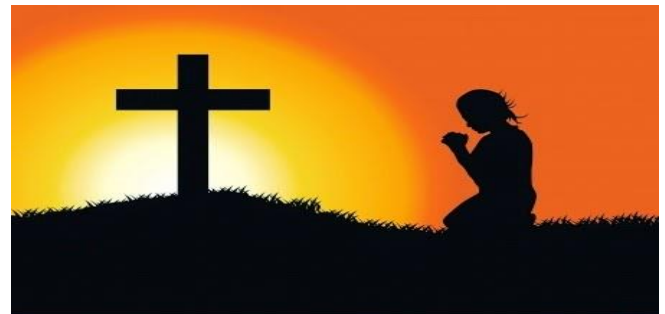

- You know the larger calling God has on your life but are not yet clear on the specific direction.
- You are not certain how to begin or what to do next to find this direction.
- You doubt yourself and lose your momentum as you pursue this goal.
- You feel defeated and want to give up as there seems to be more obstacles than open doors.

The Strategic Futuring™ Program

This facilitated process is designed to help participants clarify their current approach to the future, leverage their strengths, values, and accomplishments in creating vision-based goals and partnerships to pull them into a positive future.

Faith-based Strategic Futuring™ is designed for:

- Individuals who commit to pursue their future with God at the center.
- Individuals who want to live the remainder of their life based on:
 - Knowing and embracing God's plan and purpose for your life. (Jeremiah 29:11)
 - Recognizing your current challenges will not overcome you! (Isaiah 54:17)
 - Making wise choices and listening to God's still small voice. (Deuteronomy 30: 19-20)
 - Taking the responsibility for translating your vision into an *implemented* plan of action. (Luke 14:28)

“For I know the plans I have for you,” declares the Lord, “plans to prosper you and not to harm you, plans to give you hope and a future.”

Jeremiah 29:11

Faith-based Strategic Futuring™ uniquely:

- Guides you to document your vision for the future and believe in time that it will come to pass. (Habakkuk 2: 2-3)
- Exhorts you to keep God at the center of your planning process. (Hosea 4:6)
- Shifts your approach from a reactionary mode to one of purposeful action. (Matthew 25: 1-13)

Faith-based STRATEGIC FUTURING™

Strategic Futuring™ is a 5-part facilitated process with a coach

FOUNDATION anchors into your best skills, past success, experiences and deep guiding values and builds confidence and readiness to imagine the future

PERSPECTIVE takes a 360 degree look at your life, where you have been and where you are going

VISION is at the heart of the work, which most people experience as a joyful and freeing exercise, even if it requires some courage and creativity to step into the unknown.

ACTION includes the critical steps of sharing vision, asking for feedback, and setting realistic goals. Faith without works is dead!

SUCCESS includes interacting with both current needs and immediate opportunities to build a personal plan that is both realistic and possible

“For we are His workmanship, created in Christ Jesus for good works, which God prepared before hand that we should walk in them”

Ephesians 2:10
